6.0 mm
8.0 mm
14.0 mm
20.0 mm

Vitamins added

Vitamin A (IE/kg)	10000
-------------------	-------

APPLICATION:

Our Premium Select pellets are unique feed pellets whose attractive powers go beyond carp and catfish and are therefore available in many sizes to suit almost any type of fishing.

Also Premium Select can be fed as standalone feed pellets or are added to ground bait. To increase attraction, the pellets can be offered in a feeder or in PVA bags close to your bait.
