Data Sheet

Product: BetaCel-Yeast® (Premium)

Description: Finely ground and light brown in colour.

In the composition and processing of BetaCel-Yeast® the highest quality standards apply. The production method ensures maximum protection of the sensitive components and active ingredients of BetaCel-Yeast®.

BetaCel-Yeast® consists of pure brewers' yeast (100% *Saccharomyces cerevisiae*). The dietary and prebiotic effect of BetaCel-Yeast® with its many valuable and highly available ingredients (enzymes, B vitamins, amino acids and minerals) give an added value to any fish feed mix.

Crucially, brewers' yeast, unlike other feed yeasts, contains the valuable hop components Humulone (α -acid) and Lupulone (β -acid). Supplementing feed with Leiber® Brewers' Yeast has a positive effect on animal performance and health.

Benefits of BetaCel-Yeast®:

- ◆ Dietary and prebiotic effect
- ◆ Stabilization of the gastro-intestinal system
- ◆ Humulones & Lupulones (α - and β -acids from hops) with antioxidant and bacteriostatic effect

Analytical constituents and levels:

Crude Protein	46.0%
Crude oil and fats	2.7%
Crude fibre	1.0%
Crude Ash	8.0%
Water/Moisture	6.0%
Lysine	3.2%
Methionine	0.6%
Calcium	0.2%
Phosphorous	1.4%
Sodium	0.2%

Trace elements per Kg:

Iron	480mg
Zinc	100mg
Manganese	50mg
Copper	60mg
Selenium	1mg

Directions for use: Intended for use as animal feed/fishing bait/feed.

Packaging/Storage: Clear plastic bags with a silver back and/or white lined paper sacks. Store in a ventilated and dry place. Keep out of direct heat and sunlight. Store at room temperature and ensure it is well sealed.

Allergen Advice: Handled in a warehouse that handles nut and fish products. Not for human consumption.

Shelf Life: 3 years from date of manufacture, if recommended storage conditions have been adhered to.
